D 101.2:

ARMY ROTC AT THE U OF O

The Army Reserve Officers' Training Corps at the U of O adds leadership training and management experience to your chosen academic pursuits while preparing you to become an Army officer.

CURRICULUM:

Basic courses in first aid, map reading, management and leadership are offered with no obligation on your part. The Advanced Course refines skills and abilities and includes a six-week summer camp between your junior and senior years. The curriculum is designed to be exciting, educational and flexible enough to meet scholastic requirements while helping to accomplish your academic and personal goals.

EXTRACURRICULAR ACTIVITIES:

Military Science students at the U of O may participate in a wide variety of activities including rappelling, white water rafting, marksmanship training and cross-country skiing. The U of O Rifle Team is one of the best in the nation. The Ranger Challenge team from U of O is one of the best in the western United States. Social activities such as the Senior Dinner and the Military Ball are also an integral part of the program which add to your memorable experiences.

FINANCIAL AID:

Students have opportunities to compete for 2-, 3- and 4-year scholarships that pay tuition, a flat rate for books and fees and $100 each academic month during the last two years of the program. You may even qualify to join the Army Reserve or the National Guard while enrolled in Army ROTC and receive additional pay as an E-5 officer trainee under the Simultaneous Membership Program, and even receive the new GI Bill. There are also Guaranteed Student Loans available.

VETERANS:

If you're a veteran, you may use your military experience for advanced placement credit and take full advantage of your veteran's benefits in addition to Army ROTC's financial aid.
